HUNGER
By Ruth L. F. Barnett
(From December Good Housekeeping)

Dearest, do you like the apple cake I made for you?
Twas such a complicated thing to bake,
Yet fun to do!
You said so? Yes—but quite as if by rote.
Please! One small life
Would make the bit that's sticking
In my throat
Not half so dry.

UNCLE SAM'S SAILORS ON HORSEBACK SEE PANAMA FROM THE SADDLE

No, the U. S. Navy doesn't have a cavalry unit, but many a sailor straddled leather before giving up his bucking broncho or plow horse for the bounding main.
The sailors in whites above are seamen in the U. S. Naval Reserve on shore leave in Panama. No distinction is made between sailors in the Naval Reserve and those in the regular Navy. Enlistment in the U. S. Naval Reserve is for four years, but all men enlisting in the Naval Reserve will be released to inactive duty as soon after the national emergency as their services can be spared, regardless of the length of time remaining in their enlistment. If the emergency ends within a period of several months, those enrolled in the Naval Reserve will not be required to complete their 4 year term in active service. Opportunities for advancement, to learn skilled trades, for travel and adventure are identical whether a man enlists in the regular Navy or the Naval Reserve, and his pay, food, clothing, medical and dental care are the same.

Charles Mitchell Formally Opens New Standard Service Station

Gleaming in its sparkling red, white and blue paint, the new Standard Oil super service station at the corner of Carson st., and Cabrillo ave., will have its formal opening this weekend. Operated by the genial Charles B. Mitchell for the past six years, the Standard Oil station is now equipped to render nearly every service, exclusive of garage repairs, desired by a motorist.

Erected and equipped at a cost of \$8,000, the new station embodies all the latest features of the modern super-service firm. These include such facilities as clean restrooms, high pressure lubrication, fast, accurate gasoline pumps and other motoring services that have made Standard stations America's favorite for years.

Mitchell has stocked his new station with a full line of Standard Oil products, Atlas tires and batteries, lubrications and accessories. He assures all his friends and patrons that the new facilities will enable him and his staff to give even better service than in the past.
The popular station owner has been in the Standard Oil service business for the past 13 years.

NEW LANGUAGE
Once a lad joins Uncle Sam's Navy his vocabulary changes. Floors are "deck", windows are "ports", stairs are "ladders", walls are "bulk heads". And upstairs is "topside" and downstairs is "below!"

BEST IN WORLD
With the aid of Sperry, Ford, General Electric and other companies, the U. S. Navy has worked out the best gun-fire control system in the world—one which is almost an automation. Our seamen are very proud of their gunnery and, as they can aim and hit a target fifteen miles away in a minute, their pride is justifiable.

Gaucha Champs Enjoy Banquet

Guy Cable, in charge of the football banquet, tendered the championship Narbonne team Wednesday night, Dec. 3, reports 177 tickets sold and 158 dinners served. Extra tickets sold paid for the dinners of the honored guests.

As a change from past years when speechmaking was the chief order of the banquet after feasting, but two speakers were present this year but both were super entertainers.

Mike Pecarovich, former Loyola coach, and Tony Kabooh,

PHILIP MURRAY, president of the Congress of Industrial Organizations, shown as he spoke in support of the Administration foreign policy at the C. I. O. convention in Detroit. Full endorsement for President Roosevelt's program of support to the forces fighting Hitler was given by the convention following Mr. Murray's speech. Delegates also unanimously endorsed the Treasury Department's Defense Savings Program as an aid to the Administration policy.

took the time formerly allotted to a group of speakers. Pecarovich, speaking on sportsmanship in athletics, and Kabooh, humorist, held the attention of everyone present.
Musical numbers, a trumpet

solo by Jack Holman, and a vocal solo by Neal Mince, were the students' contribution to the program.
